

SEK Interlocal 637

Communication flow chart:

Even though Mr. Coltrane and I, as administrators, are responsible for all the aspects of the Interlocal, we will continue the practice of assigning ourselves to areas of the Interlocal. In addition our coordinators, Debbie Christman and Daria Condon, can be your first contact if they are assigned to your district or area. This will allow for you to have quick access and know whom to contact first as questions and requests arise. You are always welcomed to visit with either of us, but this does help streamline the efficiency regarding the flow of communications.
