10/26/2017 Initial (AM & PM)

Trainer: Keith Overton @ Interlocal

02/23/2018 Initial (AM & PM)

Trainer: Tim Casper @ Interlocal

Class Times:

- AM Classes - 8:00-11:15
- PM Classes - 12:00-3:15
- Classes will begin promptly at the indicated time. If you are not able to make it to class on time, please call the Interlocal office.

Other Information:

- Initial trainings will utilize the FLEX training resources --- completing online modules prior to the training, participants time in the classroom will be a little over 3 hours.
- Trainers can see how much time is spent working on the online modules and how many times the test is taken before a passing score is achieved --- please spend a reasonable amount of time on each module.
- If you haven't made it to a recertification class prior to your Blue Card expiring, DON'T PANIC! Just make sure to get signed up for the next available recertification class. If your Blue Card is over 4 months expired, contact a Trainer prior to signing up for a class.

Notes

All initial and recertification dates will have two, separate trainings if class sizes permits; a morning training and an afternoon training. If a class size is not sufficient, classes will be consolidated at the discretion of the trainer; likely consolidating the AM and PM classes or pushing the class to a later training date.
